THE COMPLETE COLLECTION

**McCarthy Homes**

The team to make *your dream* work

## SANDSTONE

*Where dream homes begin.*

A strong foundation is the most important part of any new venture. It's the beginning of something incredible: a project; a story; a home. It provides us with the ingredients we need to fulfil our dreams.

Our Sandstone Collection is included with every home, and focuses on exactly this – giving you everything you need, and nothing you don't, so the result is a perfectly curated foundation on which life can be effortlessly lived.

## GRANITE

*For wherever life takes you.*

From coffee-fuelled school drop-offs to heartwarming family dinners, your home is there by your side. It's always ready to welcome you back, no matter where life takes you. Your home works hard every day, which is why we designed our luxurious Granite Collection. This upgrade option provides stunning and functional inclusions that enhance your home in all the right places - so you can get back to what's most important.

## QUARTZ

*A home as unique as you.*

There's no greater pleasure than to simply sit back, surrounded by friends and family, and enjoy the life you've created. When you have a home that seamlessly fits into your lifestyle, the rest simply falls into place – that's why we created the Quartz Collection upgrade option. With an extensive list of premium inclusions, you can design a home that truly complements your way of life. After all, you're completely unique - so your home should be, too.
